

Pikeland Public Schools Foundation

The following application is for the scholarships administered by the Pikeland Public Schools Foundation. This Foundation awards several scholarships each year to past and current graduates of Pittsfield High School. The scholarships are based on a student's financial need, scholastic abilities, leadership qualities, service to their school and community, dignity of character and desire to further their education. These scholarships may be used to attend colleges, universities, trade schools, or technical or vocational schools. Any institution that promotes the betterment of a student through education will be considered. Please see individual scholarship descriptions for specific guidelines. The deadline for acceptance of this application is March 25th, 2022.

Please check each of the scholarships for which you would like to be considered.

The Emma Reinhardt Scholarship

Gary and Linda worked for 42 and 19 years respectively in the Pikeland school district and both continue to volunteer their time for the betterment of the district. This scholarship is open to current Pittsfield High School seniors pursuing any field of study with an emphasis on academic achievement.

The Helen Harman Scholarships

These scholarships are made possible through a generous donation to the Pikeland Public Schools Foundation by Miss Helen Harman. Miss Harman, a long-time American History teacher at Pittsfield High School, was dedicated to her community and continues to care for the students of Pittsfield High School by allowing our Foundation to award monetary scholarships each year.
